

# EQUIVALENCES TRANSFER APPLICATION

Certain professional associations and educational institutions also have established accreditation programs. They present information regarding pension and employee benefit administration that NIPA recognizes as equivalent to some parts of the Accredited Pension Administrator and Accredited Pension Representative accreditation program.

NIPA extends the following credit(s) for successfully completing the courses below. Transferring credits is subject to a \$50.00 processing fee. **You must provide documentation of your transferring designation (i.e. a copy of your certificate, membership id card, etc.).**
